Mission Trip
March 24 - April 3, 2025

→ Transforming Spaces & Changing Lives

Join us for a life-changing mission trip to Peru, where we will provide a helpful hand by painting at a local seminary. Our work will focus on brightening communal areas, creating an inspiring environment for students who are preparing to become future leaders. As we transform the seminary with color, we will also have the opportunity to engage with the students and faculty, learning about their journeys and aspirations. This trip offers a unique chance to immerse ourselves in the rich Peruvian culture while making a tangible impact on the lives of those we serve.
